About Us

A new dawn for Seamless Business Communication

CleveroTel is a complete communication platform that caters to businesses of all sizes. Launched by Clevero in 2022, our revolutionary VoIP PBX system is designed to tackle the unique challenges faced by all businesses. We come up with innovative solutions to provide reliable and cost-effective communication systems.

Our Vision

Become the driving force behind revolutionizing corporate correspondence. Enhance collaboration by introducing our VoIP PBX Solutions as the unwavering foundation of each business client and employee network.

Our Mission

Deliver unparalleled reliability, cost savings, and flexibility to our clients, thereby helping them unlock their full communication potential.

“

Excellent communication doesn't just happen naturally. It is a product of process, skill, climate, relationship and hard work.

Pat McMillan
Author, CEO

Our Values

Our Values guide our actions and shape the CleveroTel culture

Innovation

We embrace continuous innovation and position ourselves at the vanguard of technology, offering state-of-the-art cloud-based VoIP PBX solutions. Our constant quest is to discover novel avenues for augmenting communication experiences for clients, guaranteeing their entry to the most recent strides in the field through automation and the integration of emerging technologies.

Reliability

We are committed to delivering dependable and fortified communication solutions. With the help of our high-end encryption, multi-factor authentication, and advanced threat detection technology, we vigorously safeguard sensitive information and prevent unauthorized access.

Integrity

We conduct our business with honesty, transparency, and ethical practices. We value trust and strive to build long-term relationships with our clients.

Collaboration

We believe in the power of collaboration, both within our team and with our clients. By working together, we achieve better outcomes and foster a strong sense of community.

Flexibility

We understand that every business is unique, and offer flexible solutions to adapt to their evolving needs. Our agile approach enables us to cater to businesses of all sizes and industries. As our clients' businesses expand, our solutions seamlessly scale in tandem, ensuring continual alignment with their growth.

Why CleveroTel?

Empowering Businesses with Next-Gen Solutions

Seamless Communication	Scalable & Flexible	Cost Savings	Unparalleled Support

Our Process

Our process encompasses 5 key steps, each meticulously designed to deliver unparalleled results.

What makes CleveroTel different?

Expert Certified Professionals

The expertise of our highly skilled and certified professionals across various industries ensures that we can tailor our communication solutions to effectively address the unique challenges and opportunities specific to your business.

Focused on AI-Based Solutions

We optimize call routing, analyze data patterns, and offer intelligent virtual assistants, empowering your business with smart and intuitive communication tools through AI.

Branded High Quality Products

We bring you branded, high-quality VoIP PBX products that are built to last and deliver exceptional performance.

Round the Clock Tech Support

Our dedicated technical support team is available 24/7 to address any issues and provide immediate assistance.

Tailored Industry Solutions

By deeply understanding the intricacies of your industry, we craft communication strategies that not only meet your immediate requirements but also anticipate future trends and developments.

Superior Training Programs

Our comprehensive training programs are designed to empower your team with the knowledge and skills needed to seamlessly embrace the new communication system, minimizing disruptions and maximizing the benefits from day one.
